

“Remember always that the recollection of quality remains long after the price is forgotten.” – H. George Selfridge

April 2010 represents the ***33rd anniversary*** of ***Olympus Imported Auto Parts***. The foundation for our success has been our solid commitment to quality. We source only the highest quality auto parts available in the world.

Quality people, selling quality parts to customers who appreciate the considerable value of getting the best possible parts for the vehicles they work on in a timely fashion.
From all of us at ***Olympus***, thank you!
